

# Jailanie Kaganovsky

*Very dedicated, patient-focused laboratory technician with 16 years of expertise in DNA extractions, tumor acquisitions, data entry, customer and client service relations, & Healthcare IT. Who exemplifies accuracy in patient history, medical and clinical documentation, and system application building and maintenance.*

## EMPLOYMENT

Brotman Baty Institute: Precision Medicine,  
University of Washington Medical Center: -- Research Coordinator  
MARCH 2020 - PRESENT

- \*ITHS RedCap creation and maintenance
- \*Zipline IRB Submissions
- \*Supply Purchasing
- \*Saliva Kit Send Out and Receipts
- \*Data entry
- \*Data analysis
- \*Study participant assistance and coordination
- \*Clinical Genetics study assistant

C.A.S.T.,  
University of Washington Medical Center: Department of Laboratory  
Medicine -- Clinical Laboratory Technician I  
JANUARY 2020 - FEBRUARY 2020

- \*Outside client result data entry
- \*Outside client coordination

Genetics & Solid Tumors Laboratory,  
University of Washington Medical Center: Department of Laboratory  
Medicine — Clinical Laboratory Technician II  
NOVEMBER 2016 - DECEMBER 2019

- \*Tumor acquisition of surgical biopsies from all over the world for Next Generation Sequencing
- \*Blood and Plasma QiaSymphony Extractions
- \*Policy and Procedure Writing
- \*Quality Assurance monitoring and documentation
- \*Research data entry, kit send-out, and documentation
- \*Hc1 database building and maintenance
- \*Remote Desktop Connections with Pathology systems
- \*Materials send-out via inter-department couriers and FedEx/UPS/USPS

Hematology/Coagulation Laboratory,  
University of Washington Medical Center: Department of Laboratory  
Medicine — Clinical Laboratory Technician I  
JANUARY 2016 - NOVEMBER 2016

- \*Data entry and documentation
- \*Sample processing for staining, fixation and slide review
- \*Inventory organization and purchasing through PurchasePath
- \*Pipette calibrations
- \*Bone marrow scheduling, assisting, and processing for slide reviews and laboratory testing (ie. Flow, Molecular, Cytogenetics, Pathology) with a Surgical Technologist license

Specimen Processing Services,  
University of Washington Medical Center: Department of Laboratory  
Medicine — Clinical Laboratory Training Lead  
NOVEMBER 2013 - DECEMBER 2015

- \*Developed, evaluated and written new laboratory processes and training procedures
- \*Wiki document editing and maintenance

## SKILLS

Full Stack Web Developer

Data entry

Client/Customer services

Microsoft Office

Adobe Reader/Photoshop

LIS/Roll and Scroll

Sunquest/Misys

hc1 Healthcare System

Wiki

Epic/ORCA/Mindscape

PowerPath, PowerTrax, CARS,  
Imaging Suite

QiaSymphony, QiaCube, Qiagen

Puregene extraction

DNA extraction

Research

Phlebotomy

Leadership

PurchasePath

RedCap

- \*Data entry and testing via Sunquest
- \*Directed and assisted in laboratory workflow and operations
- \*Sample processing for laboratory testing
- \*Quality assurance reporting and analysis
- \*EPIC and ORCA data system order creation, testing, and release

Specimen Processing Services,  
University of Washington Medical Center: Department of Laboratory  
Medicine — Interim Supervisor  
JUNE 2014 - NOVEMBER 2014

- \*Staff scheduling and monitoring via Kronos and Maplewood
- \*Candidate screening and interviews
- \*Monthly department-wide management meetings

Specimen Processing Services,  
University of Washington Medical Center: Department of Laboratory  
Medicine — Clinical Laboratory Technician Lead  
AUGUST 2012 - JUNE 2014

- \*Data entry via Sunquest
- \*Sample processing for laboratory testing (pour offs, send-outs, filing)
- \*Daily staff workflow scheduling
- \*Responsible for troubleshooting and error reporting

Hematopathology/Molecular Hematopathology Lab,  
University of Washington Medical Center: Department of Laboratory  
Medicine — Clinical Laboratory Technician II  
NOVEMBER 2006 - AUGUST 2012

- \*Data entry (Sunquest, Hematopathology, and Pathology Databases)
- \*Clinical and COG Research sample processing, retrieval, and archiving
- \*Inventory supply monitoring and ordering through PurchasePath
- \*Materials send-out via inter-department couriers and FedEx/UPS/USPS
- \*Client and customer services
- \*Corbett, QiaGen, and Puregene DNA extractions
- \*Bone marrow scheduling, assisting, and processing for slide reviews and laboratory testing (ie. Flow, Molecular, Cytogenetics, Pathology) with a Surgical Technologist license
- \*New employee training
- \*Slide consult receipt, documentation, and materials return
- \*Pipette calibrations
- \*Reagent making and preparations

Community Services,  
University of Washington Medical Center: Department of Laboratory  
Medicine — Clinical Laboratory Technician I  
MARCH 2004 - NOVEMBER 2006

- \*Sort, file, and process specimens received from outside clinics/clients
- \*Client and customer services
- \*Data Entry using Roll and Scroll

Main Laboratory,  
Northwest Hospital Medical Center — Laboratory Assistant  
JUNE 2007 - JULY 2009

- \*Processing and proper distribution of samples
- \*Data entry and troubleshooting
- \*Phlebotomy skills in the outpatient department

Nordstrom Tower Women's Clinic,  
Dynacare Lab/LabCorp — Phlebotomist  
MARCH 2004 - AUGUST 2004

- \*Independent work as a Phlebotomist
- \*Filing, sorting, and processing specimens for courier pickup
- \*Miscellaneous job assistance as instructed by my supervisor or by other fellow employees

Main Laboratory,  
Quest Diagnostics — Laboratory Assistant

## AWARDS/LICENSE/CERTIFICATIONS

### Project Management

Certificate of Achievement  
The Learning Resources Network  
North Seattle College

### WENT Award

Prenatal DNA Screening Team  
Department of Lab Medicine UW  
Medicine

### Surgical Technician

Bone Marrow Assistant  
Department of Lab Medicine UW  
Medicine

### POD

Professional & Org. Development  
UW Medicine

## LANGUAGES

English

Filipino ("Tagalog")

JANUARY 2004 - FEBRUARY 2004

- \*Sorting and filing of paperwork
- \*Assisting in courier send-outs
- \*Requisition distribution

Main Laboratory,  
Clinica Capco Laboratory, Manila, Philippines — Medical Laboratory  
Technician Assistant

MARCH 2001 - JUNE 2002

- \* Assisting MLS staff
- \* Phlebotomy
- \* Patient care
- \* Blood typing and cross matching
- \* Rotations through Hematology (CBC, Diff. counts, blood smears), and parasitic determination in urinalysis & parasitology, and also bacteriological procedures.

Main Laboratory,  
Cubao Diagnostics, Quezon City, Philippines — Medical Laboratory  
Technician Assistant

JULY 2002 - SEPTEMBER 2002

- \* Assisting MLS staff
- \* Phlebotomy
- \* Patient care
- \* Blood typing and cross matching
